William J. Casey, Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Director Casey:

The Berea College Debate team is researching this spring's intercollegiate debate topic: Resolved that the United States is justified in providing military support to nondemocratic governments. We are most interested in receiving from you any information that is relevant to this debate topic. Whatever ideas, documents, reports, etc. you can send us will be greatly appreciated.

Sincerely,

George B. Ray
